

MANAGEMENT INFORMATION SYSTEM
MODEL TEST PAPER

Q1. Theory, which offers solutions to handle the complex situations of the input & out, put.

- a. MIS
- c. Information

- b. System**
- d. None

Q2. Multidisciplinary approach.

- a. MIS**
- c. Both

- b. systems
- d. none

Q3. MIS is.

- a. Statistical
- c. Flexible

- b. Dynamic**
- d. None

Q4. Executives responsible for all aspects of systems.

- a. C10**
- c. Both

- b. CFO
- d. None

Q5. APM

- a. Administration of price mechanism.
- b. Administration price method.
- c. Administration price mechanism
- d. All.

Q6. To make users aware of opportunities as a result of technical innovation

- a. C 10**
- c. Both

- b. C110
- d. None

Q7. P2P Bench marking

- a. People to people
- c. Both

- b. Peers to peers
- d. None

Q8. Role, which requires contact with the other orzo

- a. Monitor
- c. Leader

- b. Spokesman**
- d. All

Q9. Identifies new ideas from outside the organization

- a. Is manager**
- c. Liaison

- b. Monitor
- d. All

Q10. Influencing the over all strategies & planning organization

- a. Entrepreneur**
- c. Both

- b. Monitor
- d. None

GURU GOBIND SINGH COLLEGE FOR MTMS

AL – 7 Main Jail Road, Hari Nagar, New Delhi – 110064

Q11. Acts as a main customer of data

a. Resource allows cater

c. Both

b. Disseminator

d. None

Q12. Modern information system.

a. Dynamic

c. Complex

b. Flexible

d. None

Q13. Smallest atomic entity

a. Information

c. System

b. Dated

d. All

Q14. Data design & modeling process is used to

a. Arrange data

c. Built data

b. Decode data

d. All

Q15. Handling raw data in a systematic manner

a. Data scheduling

c. Both

b. Data processing

d. All

Q16. Scrutinized for com conformance to the rules

a. Transaction scrutinized

b. Both

b. Transaction processing

d. None

Q17. To bring out specific boniness results

a. Transaction process

c. Both

b. Application processing

d. None

Q18. Use of transaction data bringing out a particular status

a. Application processing

c. Both

b. Data processing

d. None

Q19. A product made up of reveal application in ordering manner.

a. Sub system

c. Both

b. System

d. None

Q20. System help in managing the business as a whole.

a. E R P

C. Both

b. I P R

d. None

Q21. Total solution to meet the business information needs.

a. DSS

c. Both

b. IPR

d. None

GURU GOBIND SINGH COLLEGE FOR MTMS

AL – 7 Main Jail Road, Hari Nagar, New Delhi – 110064

Q22. System open in nature

- a. Open system
- c. Closed

- b. Real time**
- d. All

Q23. To assure quality of information

- a. Quality management
- c. Total quality circles

- b. Total quality management**
- d. All

Q24. Important treasured of quality assurance is _____

- a. Satisfaction of user**
- c. Both

- b. Satisfaction organization
- d. None

Q25. For attainment of quality goals

- a. Software quality assurance**
- c. Both

- b. Quality assurance
- d. None

Q26. Identifying the error is

- a. Error management**
- c. Both

- b. System management
- d. None

Q27. At the confirmation of integration phase _____ is taken.

- a. Solution testing
- c. Both

- b. Validation testing**
- d. None

Q28. System testing is

- a. 4th stage**
- c. 3rd stage

- b. 5th
- d. None

Q29. Information system is accomplished by _____

- a. Audio mode
- c. Both

- b. Visual mode
- d. None

Q30. Deals with testing parameters.

- a. Operational
- c. Financial evaluation

- b. Technical evaluation**
- d. All

Q31. Covering main key of business functionalities.

- a. Horizontal expansion
- c. Both

- b. Vertical expansion**
- d. None

Q32. Information technology changes

- a. Quickly
- c. Rapid**

- b. Dynamically
- d. All

GURU GOBIND SINGH COLLEGE FOR MTMS

AL – 7 Main Jail Road, Hari Nagar, New Delhi – 110064

Q33. Decision support system

- a. Simon model
- b. Harvest model
- c. Both
- d. None

Q34. Decision based on comparative analysis.

- a. Decision system
- b. **Decision analysis**
- c. Both
- d. None

Q35. Data is analysis & reports are generated.

- a. **Information analysis system.**
- b. Information system
- c. Both
- d. None

Q36. Decision generally of _____ time are model based systems

- a. Double
- b. **One**
- c. Continuous
- d. None

Q37. Secession regarding placing include.

- a. **Data analysis system**
- b. Inquiry system
- c. Both
- d. None

Q38. Decision based on analysis of business statistics

- a. **Deterministic system**
- b. Behavior model
- c. Both
- d. None

Q39. Forecasting & statistical analysis of business statistics

- a. DSS model
- b. **Behavior model**
- c. Operation model
- d. All

Q40. Mathematical models are

- a. DSS model
- b. **Operations research**
- c. Both
- d. None

Q41. Break even model is

- a. Flexible
- b. Dynamic
- c. **Simple**
- d. All

Q42. Dupont model is

- a. ROI
- b. **Corporate model of return on investment**
- c. Both
- d. None

Q43. Cash budgeting is

- a. Dynamic process
- b. Continues process
- c. **Continues process**
- d. All

GURU GOBIND SINGH COLLEGE FOR MTMS

AL – 7 Main Jail Road, Hari Nagar, New Delhi – 110064

Q44. Pert method .

- a. Planning execution review technique
- b. Programme evaluation review technique.**
- c. Both
- d. None

Q45. Costs are accumulated by a department

- a. Cost system
- b. Process cost system**
- c. Both
- d. None

Q46. Cost are assigned to the job passing through the plant.

- a. Job cost system
- b. Job order cost system**
- c. Both
- d. None

Q47. Develop information system for knowledge creation.

- a. Knowledge management**
- b. Information system management
- c. Both
- d. None

Q48. Open system is

- a. Dynamic system
- b. Flexible system**
- c. Both
- d. None

Q49. Network of nodes and arcs

- a. Semantic network**
- b. Network analysis
- b. Both
- d. None

Q50. Mix of theory of the subject

- a. KBSE**
- b. KBES
- c. Both
- d. None

Q51. Decision making process

- a. Complex**
- b. Dynamic
- c. Flexible
- d. None

Q52. Nature of decision making .

- a. Permanent
- b. Sequential**
- c. Rapid
- d. None

Q53. The most common source of mistake in management decision .

- a. Peter Drucker**
- b. F. Drucker
- c. Both
- d. None

Q54. Development stage of MIS model is given by

- a. Harvest sum on model**
- b. Peter Gomes
- c. Both
- d. None

GURU GOBIND SINGH COLLEGE FOR MTMS

AL – 7 Main Jail Road, Hari Nagar, New Delhi – 110064

Q55. MIS collects the data

- a. Choice
- b. **Intelligence phase**
- c. Both
- d. None

Q56. Operating in a know environment

- a. Closed system
- b. **Closed decision making**
- c. Decision making system
- d. A&C

Q57. Decision making at _____ is risk type

- a. **Middle management**
- b. Top management
- c. Lower management
- d. All

Q58. Decision based on rule, method

- a. Semi programmed
- b. **Programmed**
- c. Both
- d. None

Q59. Models use optimisation techques

- a. Operational research
- b. Optimization & decision tree techniques
- c. Both
- d. None

Q60. Decision making situation is closed.

- a. Operational research
- b. **Optimization techniques**
- c Both
- d. None

Q61 _____ Used to assess the cost of holding in vitally

- a. Intently analysis
- b. **Sensitivity analysis**
- c. Both
- d. None

Q62. Well-defined & accepted cod of conduct.

- a. **Ethics**
- b. Ethics consideration
- c. Both
- d. None

Q63. Act process intellectual property for pretty long time

- a. Intellectual right
- b. **Copy right**
- c. Both
- d. None

Q64. Grants the owner of the product exclusive monopoly

- a. **Patents**
- b. Copy right
- c. Both
- d. None

Q65 Bench mark or control to pinpoint the responsibility

- a. System quality
- b. **Information system quality**
- c. Both
- d. None

GURU GOBIND SINGH COLLEGE FOR MTMS

AL – 7 Main Jail Road, Hari Nagar, New Delhi – 110064

Q66. Information system are

- a. **Vulnerable**
- b. Flexible
- c. Dynamic
- d. All

Q67. System helps in reduce significantly the incidence of failures

- a. **Security management system**
- b. Security System
- c. Both
- d. None

Q68. Keeps the track of users access & read & changed .

- a. **Monitoring**
- b. Security analysis
- c. Both
- d. None

Q69. Various steps thought, which the transaction is processed.

- a. **Audit trail**
- b Firewall
- c. Both
- d. None

Q70. System stops data origination from qutsiders

- a. **Plioxy firewall**
- b. Packed
- c. Both
- d. None

Q71. Making information not understandable at all

- a. Decryption
- b. **Encryption**
- c. Both
- d. None

Q72. Digital code attached to the communication

- a. **Digital signature**
- b. Digital signature
- c. Both
- d. None

Q73. Data files construed specifically to identity of user

- a. **Digital certificate**
- b. Digital signature
- c. Both
- d. None

Q74. SH TT P

- a. Security high text transport protocol
- b. **Security hypertext transport protocol**
- c. Both
- d. None

Q75. Is a plan of action to recover from the impact?

- a. **Disaster management**
- b. Disaster handler
- c. Both
- d. None

Q76. Data validation control

- a. Signature check
- b. Logic check
- c. A&B
- d. None

GURU GOBIND SINGH COLLEGE FOR MTMS

AL – 7 Main Jail Road, Hari Nagar, New Delhi – 110064

Q77. A family of software Solution package

- a. **Customer relation management system**
- b. Supply management system
- c. Both
- d. None

Q78. Business organization uses websites

- a. **B2C**
- b. B2B
- c. C2C
- d. None

Q79. Revolves around two individuals who deals with each other

- a. **C2C**
- b. B2B
- c. Both
- d. None

Q80. Messaging and information down loading big application

- a. C2B
- b. **B2C**
- c. Both
- d. None

Q81. Collaboration software is

- a. Group work
- b. **Group ware**
- c. Both
- d. None

Q82. Packaged software solutions

- a. ERP
- b. CRM
- c. **Both**
- d. None

Q83. _____ Tool handle communication between stage, trigger process of that stage.

- a. Group work
- b. **Group ware**
- c. Both
- d. None

Q84. For step by step performance of work

- a. **Group ware**
- b. Work From management
- c. Both
- d. None

Q85. Payment to employee, delivery through courier

- a. C2B
- b. **Transaction processing**
- c. Both
- d. None

Q86. System theory focuses

- a. **Complex situation**
- b. Dynamic situation
- c. Flexible situation
- d. All

Q87. Multi disciplinary approach

- a. **MIS**
- b. C2B
- c. IMS
- d. All

GURU GOBIND SINGH COLLEGE FOR MTMS

AL – 7 Main Jail Road, Hari Nagar, New Delhi – 110064

Q88. MIS, used information

- a. Strategic
- c. Flexible

- b. Dynamic
- d. All

Q89. Management effectiveness

- a. Negondhi Estafen**
- c. Both

- b. Griffin v room
- d. None

Guru Gobind Singh College for MTMS
